

MINISTRY OF SCIENCE AND HIGHER EDUCATION OF THE RUSSIAN FEDERATION
Federal State Budgetary Scientific Institution
"Federal Scientific Center named after I.V. Michurin"

INVITATION

Dear colleagues!

You are invited to take part in the Fourth scientific and practical conference

"Present state and development prospects of Blue Honeysuckle (Haskap)"

Conference is dedicated to the 300th Anniversary of the Russian Academy of Sciences and is held for the Decade of science and technologies on the base of the FSSI «I.V. Michurin FSC»

ORGANIZATION COMMITTEE

Bagirov V.A. – corresponding member of RAS, Russia.

Chekmarev P. A. – Academician of RAS, Russia.

Goudkovsky V. A. – Academician of RAS, Russia.

Nekrasov R.V. – PhD (Economics), Russia.

Sytova A.Yu. – PhD (Economics), Russia.

Kobyakov O.Yu. – Director of FAO office, Russia.

Kharnikov M.V. – PhD (Pedagogics), Russia.

Akimov M. Yu. - DSc (Agriculture), Russia.

Zhidyokhina T. V. - PhD(Agriculture), Russia.

Bryksin D. M. - PhD(Agriculture), Russia.

Sorokin A. A. - PhD(Agriculture), Russia.

Huo Jun Wei. - professor, China.

Pigul M. L. - PhD(Agriculture), Belarus.

SECRETARIAT

Korovina T. B. – Translator, Russia.

Khotuntsev P. S. – Head of STI department, Russia.

E- mail: lonicera.konf@mail.ru

Tel / Fax: (47545) 2-07-61

The following items are suggested for discussion during the conference

1. Key issues in honeysuckle market development.
2. Present state and problems of honeysuckle assortment research.
3. Breeding tasks, expansion of genetic research and managing new original genetic resources.
4. Physiological and biochemical foundations of yield formation and fruit quality.
5. Innovative trends in storage and processing of honeysuckle fruit.
6. Technology development, economic efficiency of honeysuckle cultivation and propagation.

The official languages of the conference are

Russian and English

Conditions for participation in the conference

Scientists and specialists in the field of scientific and technological support of honeysuckle (Haskap) production are kindly invited to participate in our conference. To become a participants please submit a full application form and your research publication by E-mail in organizing committee before March 11, 2024. **The proceedings will be published free of charge.** Electronic version of the conference materials will be posted on the website of the FSSI «I.V. Michurin FSC» (<http://fnc-mich.ru>) and on website of Honeysuckle Producers Association (<https://haskapru.com>) and will be sent out in PDF format to each participant. The articles will be posted in RSCI. The volume will be supplied by ISBN. The conference participants will receive certificates based on the results of the conference. **Travel, accommodation and meals are paid by the participants themselves.** The hotel reservation also made by participants themselves.

For additional information, please contact

“I. V. Michurin Federal Scientific Center”, Michurin street 30, 393774 Michurinsk, Tambov region, Russia, Dmitry Mikhailovich Bryksin.

Tel / Fax: (47545) 2-07-61 E-mail: lonicera.konf@mail.ru

Short conference programme

Conference will be held from the 19 of March up to 21 of March 2024.

Conference program provides for face – to – face participation through presentation of and remote online participation. The materials will be published, all facilities are for video conference broad cast are provided.

Arrival of participants – March 19, 2024. Opening of the Conference and discussion of materials – March 20, 2024. Closing of the conference and departure of the participants – March 21, 2024.

It is expected that the proceedings will be published in the IV quarter of the 2024.

Structure of the article

1. UDC index (in the upper left corner).

2. Title of the article (Russian title in the centre in capitals).

3. Author's initials and surname (s) followed by academic degree, rank, which are located in the center in low case in Russian.

4. Full institution name, city, E-mail (in italics, Russian variant in the centre).

The identification of scientists regarding their institutions must be arranged in Arabic numerals.

- Article name (in English capitals in the center)
- Author's initials, academic degree, rank (in low case, in English in the center)
- Full institution name, city (low case English letters in the center).
- Relevance of authors surnames and institutions are arranged in arabic numerals).
- Abstract – no less 200 words
- Key words (essential for effective content).
- Introduction (covering the essence of problem in brief, and emphasizing the significance of the investigation)
- Methods and material
- Conclusion
- Reference
